Graduate of Gujarat Agricultural
University, CP College of
Agriculture, Anand Agriculture
University, EDII.

The SCG 360° Growth Ecosystem

We've built an integrated support system designed to address every stage of your business lifecycle.

A foundation built on: **Sustainability | Innovation | Holistic Growth**

Pillar 1: Financial Advisory & Fund Raising

Structuring capital for stability and growth.

Debt / Loan Syndication: End-to-end management of bank loans and financing from our Pan-India Banking & NBFC Network.

Equity - Private & Institutional: Connecting businesses with the right private and institutional equity partners.

Subsidy & Grants: Expertise in navigating and securing government subsidy schemes (MoFPI, NABARD, PMEFME, etc.).

Structuring & Restructuring: Optimising your financial structure for efficiency and resilience.

Project Finance: Comprehensive financing solutions for large-scale projects.

Our Financial Advantage: Speed, Access, and Results

ROI FROM 8%

We structure financing to maximize your return on investment.

7-10 DAY TURNAROUND

Our streamlined process ensures rapid access to capital.

CIBIL SCORE – NO BARRIER

We focus on the strength of your business and project, not just the score.

PAN INDIA NETWORK

Extensive relationships with banks and NBFCs across the country.

Pillar 2: Business Strategy & Operations Consulting

Building resilient and competitive business models.

- ✓ **For Startups & MSMEs:** Tailored strategies for market entry, scaling, and operational excellence.
- ✓ **Agri Infra & Agri Commodity:** Optimising value chains from farm to market.
- ✓ **Green Energy & EV:** Navigating the future of sustainable industry with expert guidance.
- ✓ **Technology Business:** Leveraging technology for competitive advantage and growth.
- ✓ **Exports:** Developing and executing international market expansion strategies.

Pillars 3 & 4: Turnkey Execution & Seamless Compliance

From project blueprint to regulatory approval, we manage it all.

Turnkey Project Execution & DPRs

- Agri Infrastructure
- Cold Chain & Warehouse
- Food Processing
- Logistics Park
- Mining
- RE & EV

Legal & Compliance Support

- Company Registration (GST, ROC)
- Licensing
- Taxation & Accounting
- Policy Advocacy
- Lobbying & Liaison Services

Pillar 5: Skill Development & Mentoring

Cultivating the next generation of entrepreneurs and leaders.

Our commitment extends beyond corporate advisory. We actively engage in mentoring and skill development to foster a robust entrepreneurial ecosystem.

Supporting the
'Make in India'
initiative

Nurturing Rural
Entrepreneurship

Strategies

**This work is often executed in collaboration with our associated foundations.*

Beyond Profit: Our Commitment to Sustainable Value Creation

“Sustainable holistic innovation for value creation in environment, education, nutrition, and agriculture.”

Shiva Consultancy Group is intrinsically linked with the Shiveena Foundation. This connection reflects our deep-seated belief that true growth is measured not only in financial returns but also in positive societal and environmental impact.

Your Partner for the Complete Growth Journey

We are more than consultants. We are your strategic advisors in the boardroom, your project managers on the ground, and your finance experts in the bank. From initial strategy to final execution, Shiva Consultancy Group provides the comprehensive partnership your enterprise needs to thrive.
